

Treatment

Title: "Blood Moon Curse" (may change slightly)

Medium: 3D Animation

Run Time: 2 minutes

Logline: A planet holds a concert every year when the moon cries called "The Blood Moon Concert" to calm the blood moon but a goblins song awakens it even more.

Synopsis: A goblin with an instrument in hand on a distant roof watches the "Blood Moon Concert" held in the city park where the whole city is gathered. The goblin makes eye contact with the blood moon and is taken over by its cursed energy. The goblin taken by the curse begins running rooftop to rooftop till he reaches the park where he throws himself off landing on the stage. The music stops and the goblin begins playing. The goblins' song then releases the full energy of the blood moon causing an ensuing chaos across the city.
